

For our office in the heart of Augsburg, we are looking for motivated support in the field of corporate valuation.

Interns & Working Students (m/f/d)

Focus: Company Valuation / Equity Research

Your Responsibilities

- Contribute to the preparation of research and analytical reports
- Support company valuation projects (DCF, multiples, peer group analysis)
- Maintain and further develop financial models, KPIs, and market reports
- Prepare presentations for investors, conference calls, and events
- Gain direct exposure to interactions with publicly listed companies

Your Profile

- Currently enrolled in Business Administration, Economics, or a related field (Business Informatics also considered)
- Strong interest in capital markets and corporate analysis
- Basic knowledge of financial statement analysis (HGB/IFRS) and understanding of income statement, balance sheet, and cash flow statement
- Proficient in Microsoft Excel and PowerPoint
- Structured, independent working style with high motivation
- Confident use of AI tools (research, data processing, text/data), including quality assurance, source validation, and confidentiality
- Plus: Initial experience with financial modeling and DCF valuation
